To Whom It May Concern:

We would like to inform you that hunting on this property is a violation of the Title 36 Code of Federal Regulations. Hunting became prohibited on this property, on which your tree stand is located, when it was established as the Charles Young Buffalo Soldiers National Monument, a unit of the National Park Service, in 2013.

Due to our understanding that you may have been unaware of the above, you have been given a grace period to **remove all of your hunting equipment and any personal items from this property by noon on December 19, 2016.** Any items left on this National Park Service property after this date and time will be considered abandoned property and will be confiscated.

Hunting, feeding (including baiting) wildlife, and abandoned property are each among the regulations within Title 36 of the Code of Federal Regulations that apply. Violators may be arrested, fined, or imprisoned. This monument is now reserved for the visiting public and wildlife to enjoy.

The Charles Young Buffalo Soldiers National Monument is located at 1120 US Highway 42 East Wilberforce, Ohio 45384. It is comprised of 59.65 acres of land. Please refer to the Greene County Auditor's web page to familiarize yourself with this property's boundary.

We strive to continue to be the best stewards of America's natural and cultural resources through several means, including enforcement of the federal regulations and also, through education.

We appreciate your attention to this matter. If you have any questions about this notice, please contact USNPS Law Enforcement Ranger, Keith Gad at 937-681-8308 or by email at keith_gad@nps.gov. (This letter is being provided for your records.)
